

Manufacturer Name	Healthcare Segment	Nearby Hospital Using Manufacturer	Hospital Contact Person	Current Technology Used	Do They Use NFC / Similar Tech?	Interview Comment	Relevance to NFC Healthcare Program
MedTech India Pvt Ltd	Medical Devices & Consumables	Sri Ramachandra Hospital	Dr. Arjun Iyer	Barcode-based patient files	Indirect (Using Alternative)	We are not using NFC cards yet, but our barcode system already helps us track patients efficiently. NFC looks interesting.	High – Can replace barcode scanning with NFC UID
HealWell Diagnostics Systems	Diagnostic & Lab Instruments	Government General Hospital	Mr. Ramesh Kumar	Centralized hospital database	Indirect (Using Alternative)	We use a centralized database with patient IDs, not NFC.	Medium – NFC can integrate with existing DB
CarePlus Medical Solutions	Healthcare IT & Devices	Fortis Malar Hospital	Mrs Neharika	QR Codes	Indirect (Using Alternative)	We already use QR codes on patient files	High – NFC improves speed over QR
